### Lincolnton Woman Indicted in Connection to Fatal Overdose in Maiden

September 28, 2022      Ralph Mangum      NEWS

23-year-old Madison Dare Winslow of River Meadows Court in Lincolnton was arrested by Maiden Police on September 21 on multiple felony controlled substance charges. Winslow was served with indictments for death by distribution, four counts of conspiracy to traffic in opium or heroin, possession of a schedule II controlled substance with intent to sell or deliver, and maintaining a vehicle, dwelling, or place for a controlled substance. She was also charged with misdemeanor possession of drug paraphernalia. Lincolnton Police assisted in the arrest.

The death by distribution charge stems from an investigation by Maiden Police into an overdose death in Maiden in February of 2022.

Winslow was placed in the Catawba County Detention facility under a \$160,000 secured bond. She remained in jail as of this morning (September 28). A first appearance in court was scheduled for September 22 with a Superior Court date coming up on October 24 in Newton.
